

## WELCOME TO THE REST OF YOUR LIFE!

(I know, I know. Stop throwing up in your mouth.)

Before you can lead your dream life, you need to know what your dream life looks like. Not surprisingly, your fantasy adult life probably looks a lot different than your fantasy college life. My fantasy college life involved coffee shops and curly haired English majors who played too much hacky sack. My fantasy grown-up life involved wine-tasting parties and cute architects who had full passports.

**So let's get specific!** What do you want out of this grown-up life? Don't be afraid to be explicit, ridiculous and ambitious. It's 100% okay to say that you want a three-bedroom brownstone in Brooklyn that allows dogs and is within walking distance of a cupcake shop, a lake and your office.

**And in the spirit of [Tony Robbins](#) (you know, that super-tall self-help guru?) let's write about these things in the present tense!**
